Dear XXXXXXX,

Thank you for your undated Freedom of Information request asking whether regular meetings take place regarding UFO related material or if specialised meetings dealing with the material gathered take place.

We do not hold regular meetings, with or without agenda, to discuss UFOs. Having checked with colleagues, we have no memory of any informal or specialist meetings to discuss UFOs over the past few years either.

I have interpreted your request as referring to meetings to discuss UFO sighting reports etc rather than meetings which are essentially administrative in nature. If I am incorrect in this assumption, please let me know.

If you are unhappy with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Director of Information Exploitation, 6th Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail Info-XD@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain unhappy following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate the case until the internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.informationcommissioner.gov.uk>."

Yours sincerely,
